

Five decades of perfect fits

Since its modest beginnings in 1962 as a family company business, Hercules® Sealing Products has become the most powerful name in the distribution of aftermarket hydraulic equipment repair parts.

Hydraulic industry customers have come to rely on Hercules' extensive inventory and next day shipments to get the job done quickly, with little downtime. Product offerings are available for a wide variety of heavy equipment industries such as:

- construction
- mining
- aerial lift
- crane
- agricultural
- dump and refuse
- paving
- logging
- material handling
- industrial plant applications

The product coverage we stock is among the largest selection in the hydraulics industry, with repair parts for over 150 equipment brands such as Caterpillar®, John Deere®, Komatsu, Case, Volvo and many more. These parts include cylinder repair seals, cylinder repair seal kits, replacement cylinders, cylinder repair parts and Bulldog® engine and transmission gaskets. We also offer a line of custom manufactured seals.

With our vast inventory, world-class automated warehouse, and technical experience, we have been able to deliver five decades of perfect fits for our customers. Talk to one of our expert salespersons today and put the power of Hercules behind your project.

The industry leader, providing superior products, exceptional customer service, and engineering expertise.

LIMITED WARRANTY Hercules ("Seller") warrants that its products ("Goods") will perform in accordance with their specifications; that the goods will be free from manufacturing defects for a period of twelve (12) months from the date of delivery of the goods to Buyer; and that the goods will be as specified by Buyer in the purchase order. Seller should have the right to elect to either refund the purchase price for any defective goods or replace any defective goods, provided that the goods were used in the manner for which they were manufactured. Seller does not warrant that the goods are fit for any particular purpose. Seller should have no obligation to refund the purchase price or replace goods that are rendered defective by a Buyer or a third party after they leave Seller's place of shipment.

LIMITED LIABILITY Seller's liability for its goods is limited to their terms set forth in Seller's express warranty set for above, in no event shall Seller's liability exceed the total purchase order price. Seller is not assuming any liability for any indirect, collateral, special, incidental or consequential losses or damages suffered by Buyer, or by any end-user or other third party, including but not limited to, lost profits, loss of business reputation and/or lost business opportunity, for any possible cause of action or claim arising out of or related to the goods sold to Buyer, even if Seller has been advised of the possibility of such loss or damage.

CORPORATE OVERVIEW

We have what you need

Hercules' Clearwater, Florida headquarters serves the nation and world with a 72,000 square foot state-of-the-art, automated warehouse stocking 50,000 products. Operating hours are from 8 a.m. to 7:30 p.m. Eastern Standard time. With the industry's largest one-stop inventory, we flawlessly deliver nearly every order the next day.

Hercules is an ISO 9001 registered distributor, dedicated to industry best practices. Our quality control begins at the loading dock with strict inspection of incoming products. From there we enter our "Total Quality Management and Continuous Improvement Program" to ensure all processes and procedures are performed accurately.

We're proud to say our sales force is one of the most knowledgeable in the field, able to assist customers with technical questions about products, applications, equipment and services. Need custom engineered solutions? Our experienced engineering team will solve your most challenging issues, employing material analysis, material testing, and complete failure analysis to meet your particular application. This combination of expertise makes our staff one of the leading information resources in the fluid power industry.

Whether you need an off-the-shelf part or a completely engineered solution, Hercules is your best choice for hydraulic equipment repair parts in the fluid power industry.
